UPDATE – School Bus Driver Strike Averted

On May 28, 2009, First Student Canada informed Halton Student Transportation Services (HSTS) that the members of CUPE Local 2177 accepted the Company's final offer.

CUPE Local 2177 represents approximately 130 school bus drivers and 6 mechanics at First Student Canada (Burlington Branch), serving the Burlington and Oakville communities.

The acceptance of the Company's offer means that school bus drivers and mechanics at First Student Canada, Burlington Branch, who are represented by CUPE Local 2177, WILL NOT BE GOING ON STRIKE.

HSTS and its member Boards are very pleased that the two sides were able to reach an agreement and that service to students in the Burlington and Oakville communities will not be disrupted.
