Accident Occurring after School Dismissal

In the event of an accident/incident occurring in the afternoon while transporting students home from school and the bus/taxi operator is unsuccessful in contacting anyone at the school, HSTS will contact the Superintendent of Schools responsible for the school involved who in turn will contact the Principal of the school. The Principal (or designate) will be notified and asked to contact the parents of the students on board and if there are student injuries, attend the scene, if required.

Accident with No Students on Board

In the event of a school bus accident involving a school bus that is not servicing an HSTS route, the bus operator shall inform HSTS of the accident, for information purposes only. This will include buses where the driver is travelling to the first bus stop on their route and travelling from the last bus stop on their route.
