

# SCHOOL BUS DELAYS

## 3 WAYS TO STAY INFORMED OF SCHOOL BUS DELAYS

### 1. VIEW A LISTING OF CURRENT DELAYS AND CANCELLATIONS

Visit [www.haltonbus.ca](http://www.haltonbus.ca) to view a current listing of all route delays and cancellations.

Click on the '[Delays/Cancellations](#)' header to view list of active delays.

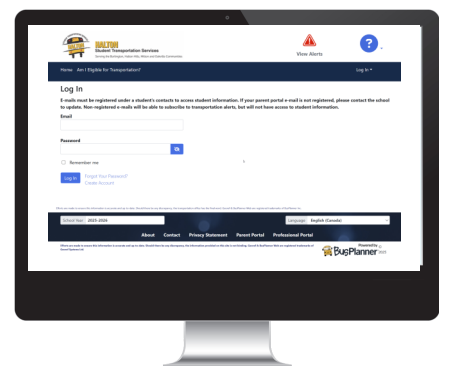

### 2. PARENT PORTAL SUBSCRIPTION (AUTOMATIC DELAY NOTIFICATION EMAILS)

When you create a parent portal account, you are automatically signed up to receive delay or cancellation notification emails for your child(ren)'s bus route(s).

As soon as the Bus Company posts a delay, the email notification will be sent to affected families who are subscribed.

To manage your subscription:

- Select the '**Parent**' dropdown menu
- Select '**My Subscriptions**'

If you have set up a Parent Portal account and you are not receiving email notifications, it could be that your child is not linked to your account. The Parent portal email address must match what the school has on file in the Board's Student Information System.

### 3. BUS PLANNER DELAYS APP

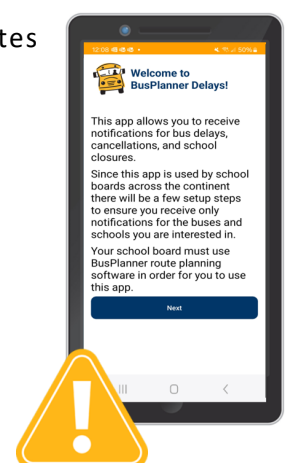

Download the **free BusPlanner Delays** app on your smartphone or Other device to receive:

- Delay and cancellation push notifications for your child(ren)'s bus routes
- General notices for inclement weather days
